## About the college

At GNIMS, our new Executive MBA program is redesigned with the help of experienced and seasoned industry champions. The pedagogy of the program includes lectures, workshops seminars, brainstorming sessions and group discussions which foster collaborative studies with peers who come from various industries and diverse functional areas. The accent is laid on developing leadership in the lecture halls and beyond. The program gives the students an excellent opportunity to develop a network. Students are offered to mentor from industry leaders.

Our goals for this program are to demonstrate knowledge of fundamental business disciplines effectively and ethically.

Our EMBA program, which is AICTE approved Course, consists of 4 Terms, which offers highly interactive learning for executives based on empirical learning which uses realistic team-based, problem-solving. The course process will help the students for wrestling with the needs of the modern business world which is technology driven.
