Member Education Initiative – Frequently asked Questions (FAQs)

This note is in continuation to approval note Ref. MSD/APP/148/2019 dated August 16, 2019, wherein the necessity and process for making available FAQ's and One-Pagers to members, has been outlined.

Accordingly, the 'FAQ on Direct Connection and Gateway router functionality V2.0' has been updated and will be replacing the first version. The version 2.0 has been signed off by the Continuous Markets Team. As is the defined process, the document has been laid out as per the internal approved checklist and is as per the branding guidelines prescribed by marketing team.

If approved, we shall initiate process of uploading the document on the website.

Submitted for approval please.
