The Company Secretary
All Listed Companies

Dear Sir/Madam,

Sub: Launch of new URL for filing of Information and/or application on NEAPS

National Stock Exchange of India Ltd. (NSE) pioneered in introducing NEAPS (NSE Electronic Application Processing System) which is already being used widely by companies listed on NSE. Over a period of time need was felt to redesign NEAPS in order to provide an user friendly interface.

Thus, in an endeavor to enhance user experience, we have redesigned NEAPS in order to provide better navigation to various filing modules, ease of submissions and avoid repetitive information.

Currently companies are using <https://www.connect2nse.com/LISTING/> and <https://neaps.nseindia.com/LISTING/> URL for making submission on NEAPS, now an additional URL <https://neaps.nseindia.com/NEWLISTINGCORP/> is being provided to the companies for making the submissions.

The Companies shall have access to all the above URLs till further notice except on December 12, 2020, where only <https://neaps.nseindia.com/NEWLISTINGCORP/> link will be available for filling/submission on NEAPS. We encourage companies to use this link and adequately familiarize themselves with the same.

For any assistance required while using new URL, please mark an email on takeover@nse.co.in. You may also reach out on our toll free no. 1800 266 0058.

Yours faithfully,
For National Stock Exchange of India Limited
